FROM YMCA

Hi Doty Parents and Families!

My name is Loren Prince and I am the Director of the Doty YMCA After School Program. The YMCA has been offering after school programming at Doty for many years - and this year is no different. We have been working with students virtually for the last few weeks: building relationships, engaging with materials in project based learning, staying fit through Zumba and Kickboxing classes, and working on academic support.

If you have any questions or are interested in having your child join us in our program you may contact me at lprince@gbaps.org or you may call or text me at 920-370-3492. We have open trial days on Wednesdays from 3:30PM-5:30PM; your child can check into our Seesaw classroom to learn more about how to connect with our virtual classes.

Starting next week we will also begin offering our backpack food program for all regular program and trial program participants. Each bag has a mixture of canned goods and ready-made food students can make themselves.

Yours,

Loren Prince
